Stacking Chair
Canadian Warranty**

Performance Office Furniture warrants its stacking chairs to be free from defects in material and workmanship for 5 years from the date of purchase, as long as the original owner owns the product, subject to the following limitations: Fabric and foam are warranted for 2 years. Plastic stacking chairs are not warranted for damage attributable to items with a temperature of over 40 degrees Celsius being placed on the surface. Stacking chairs are not warranted for use by people weighing in excess of 250 lbs. Proof of purchase is necessary to make a claim under warranty.

Without limiting the generality of the foregoing, this warranty does not apply to stacking chairs which have been altered, refurbished or damaged through normal wear and tear, negligence, abuse, shipping, storage, fire, flood or earthquake. This warranty does not apply to natural changes that may occur in the colour or texture of the chairs whether as a result of exposure to sunlight or otherwise. This warranty is invalid if the purchaser is using the stacking chairs for rental purposes.

The original purchaser's sole remedy under this warranty is the replacement or repair of the defective product at Performance's option. Due to changes in products, including styles, colours, leg and frame design and dye lots, Performance cannot guarantee when replacing or repairing a stacking chair, it will match the original purchase. This warranty does not cover labour or shipping costs incurred to repair or replace the stacking chair.
